

Real-time Visibility, Across the Organization

Smartsheet for Salesforce Connector

Sales organizations need a better way to work. Smartsheet is the leading work management platform to plan, track, automate, and report on work, enabling you to move from idea to impact - fast. With the Smartsheet for Salesforce connector, your organization is enabled with powerful collaboration capabilities for sales teams to organize, update, and share customer information with internal and external team members, so you can close deals faster and win more business.

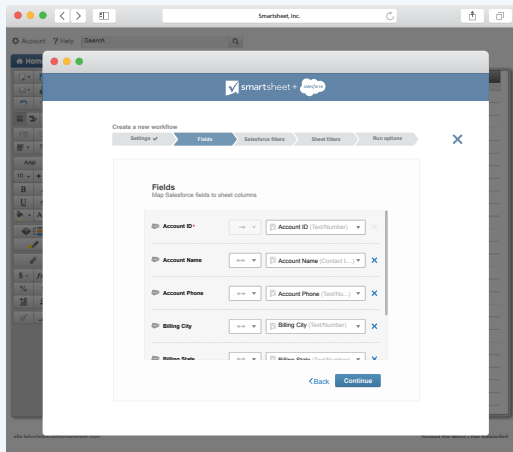

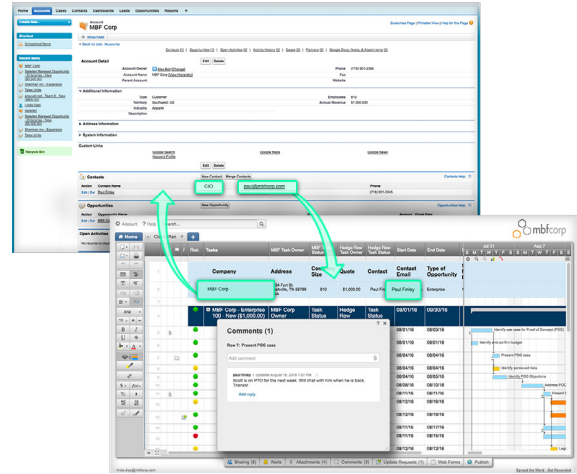

Increase Productivity

Increase the productivity of your sales team without changing the way they work. Synchronize your Salesforce data to Smartsheet to make bulk changes using the intuitive interface. Your Smartsheet data is automatically synchronized back into Salesforce, to give everyone greater visibility.

Streamline Collaboration

Collaboration and sharing across Salesforce and non-Salesforce users is no longer a manual process of exporting data to spreadsheets. With the Smartsheet for Salesforce connector, all data is updated in real-time and shared across teams throughout the organization.

Automate Workflow

Eliminate redundant steps and enable your teams to better manage pipeline, track commission payouts, plan territories and more with the auto-synchronization of data between your work management system and CRM.
