Scope for certificate 2024-004

The scope of this ISO/IEC 27001:2022 certification is limited to the Information Security Management Systems (ISMS) supporting Smartsheet Online Services, in accordance with the statement of applicability. The scope of the ISMS includes:

- Equipment, data, connectivity, policies, procedures, and personnel required for the production availability of Smartsheet service offerings
- Networks, operating systems, and applications used within the processing facilities
- Engineering, Information Technology, Legal, People, Product, Risk, and Security teams

Scope exclusion:

- Smartsheet Gov, an individual product offering of Smartsheet's Online Services offered to US government entities.
- All office locations and third-party processing facilities other than the HQ location (Bellevue, USA).

The Information Security Management System is centrally managed out of Bellevue, WA, United States of America. The scope mentioned above applies to the following location:

10500 Ne 8th St. Suite 2000, Bellevue, WA 98004, United States of America

The Information Security Management System mentioned in the above scope is restricted as defined in "Information Security Management System and Privacy Information Management System Manual" version 4.0, signed on September 17, 2025.

This scope is only valid in connection with certificate 2024-004.
