Smartsheet University

Quickly equip your organization with the Smartsheet skills to achieve your business goals. Roles who will build in Smartsheet can start learning immediately with our standard, highly effective, hands-on product training or you can have Smartsheet University build a custom enablement program for all of your members.

Why Partner with Smartsheet University?

▶ **20+ years of experience**
▶ **Over 50,000 professionals trained globally**
▶ **100% certified training experts**

From new to Smartsheet to fully certified solution builders

Follow our expert-recommended learning path — the proven way to build deep Smartsheet expertise.

Level 1:
Build a solid foundation with sheets, reports, forms, automations, and dashboards. Earn a Builder Certificate of Achievement.

Level 2:
Become a Certified Smartsheet Professional — maintain and optimize solutions, drive adoption, and maximize ROI.

Level 3:
Advance to Certified Smartsheet Architect — design and build complex solutions aligned to your unique business goals.

? How many Solution Builders do you need?
A good rule of thumb is **1 Solution Builder for every 25 Members** on your account.
